Yed Crook's dog became lost a week or more ago while hunting in the woods on the east side of Lake Penesseewassee. Later the dog was found dead. It was thought from the appearance of the dog he might have had a fit. This was in the vicinity where Ben Bolt, John A. Woodman's dog, so mysteriously disappeared.

In this locality Prince, George Tubbs' dog, had been in the habit of getting out the boat and running along through the woods in search of game while his master paddled up the lake. About two weeks ago he got out as usual but after a short run he came out on a point of land howling and much frightened. He refused to go back into the woods and insisted on swimming if he could not get into the boat otherwise. After he got into the boat he seemed all right and willing to land with the party farther up the lake and take a walk with them inland. Prince has apparently been all right since.

Rexall Orderlies

are undoubtedly the best bowel-medicine for children ever discovered. They assist Nature to renew her functions so quietly and naturally that there is no unpleasantness whatever. They cure constipation without griping or nausea, and afford immediate and lasting relief.

Rexall Orderlies are pleasant tasting, vanilla flavored tablets, and children take them as eagerly as they would candy.

Gov.—J. B. Roberts.
Lect.—Mrs. Etta Holt.
Chap.—H. N. Howe.

S. O. G.—G. L. Smith.

Interspersed with the installation exercises was a pleasing entertainment consisting of the following well rendered numbers:

Piano trio.....Mrs. Etta Holt.
Extra. Mrs. Laura M. Russell.
Barker.....Nellie Burgess.
Reading.....Mrs. Helen Barker.
Vocal solo.....Mrs. Helen Barker.
Piano solo.....Mrs. Helen Barker.
Reading.....Mrs. Helen Barker.
Piano solo.....Mrs. Helen Barker.

The exercises closed with brief but interesting remarks by the Gov. and D. S. G. The hall was then cleared and the remainder of the evening devoted to dancing.

Etta Howe and Arthur Howe were guests at the Poor-Swett wedding at Andover, Wednesday evening.

NORTH BRIDGTON.

Died on the Train.
David L. Merrill accompanied by his son, Arthur, left his home in North Bridgton, Tuesday, to go to Holliston, Mass., there to make an extended stay. Arrived at Bridgton Junction at about 10.30, he a few moments later boarded a car of the down train for North Bridgton.

David Lafayette Merrill was formerly of East Waterford but moved with his family to North Bridgton village a few years ago.

His wife is dead and he is survived by two children, Mrs. R. Merrill and Mrs. Charles E. Green, both of whom are residents of North Bridgton. Mr. Merrill was about 70 years of age. His principal life occupation was that of farmer. He was a member of the Odd Fellows' lodge, and a respected citizen.

BUCKFIELD.

Struck Mountain.
Kate Maxim has sold her farm to Fred Corbett.

Mrs. Leslie Cummings, who has been sick, is able to sit up a little.

Emma Bragg spent Saturday night and Sunday with Mrs. D. Verrill.

Many apples in this place have frozen as the farmers could not hire anybody to pick them.

Fred Bennett is shipping his potatoes to Boston. He raised twenty three hundred bushels.

John Pettigill of Auburn has picked his apples on the Taylor place and has returned home.

OAKS.

It is noted that the use of ox teams are on the increase, and with good reason, for with the high price of horses, grain and harnesses, to say nothing of their liability to death, injury and depreciation in value, a horse team is almost a luxury. An ox team may be slower, but they will get there just the same and will not eat their heads off doing it.

While many of the crops have been a partial failure, this season, the farmers of this vicinity have reason to be well satisfied with the large apple crop, and for which they are receiving from \$2.25 to \$2.50 per barrel. The only trouble has been the difficulty in the buying of barrels, which are hard to get at even thirty-five or forty cents each. Even the common fruit has had a ready market at the cannery factory for thirty-five cents per barrel.

Coughs of Children

Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.

We publish our formulas. We have selected from our medicines. We urge you to consult your doctor.

If you think constipation is of trifling consequence, just ask your doctor. He will dissuade you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.

Made by Dr. J. C. Ayer & Co., Lowell, Mass.

All-Hallow Eve.

For real, rollicking, frolicking fun there is nothing more jolly than a Hallow'en party.

The observance of Hallow'en or All-Hallow eve, is a tradition handed down from the ancient Druids, who celebrated their harvest festival on the last day of October. The next day was All-Hallow's or All-Saluts' day, and so they called the festival All-Hallow'e'en.

The gay games of modern times are not much like the solemn rites of the Druids, but a connection may be traced between the supernatural beliefs of the ancients, and the burlesque attempts to pry into the mysteries of the future by our Hallow'en fun represents.

Long after the time of the Druids, simple minded country people continued to believe in charms and witchcraft, and especially claimed that on the night of October 31 witches and goblins held revels and fairies danced about in the woods.

Milk Seven Cents.

It sounds strange but when we go to buy milk now we have to settle the question whether we will have a six cent quart or a seven cent quart. A seven cent quart contains the amount of milk we used to get for a quart at six cents. The six cent quart contains about a cent's worth of milk less, so practically milk is seven cents a quart. A few of our traders advertise the old quart for six cents.
